OFF FOR CHICAGO.

Messrs. Joseph L. Crupper, of this citr, and Samuel Diener, of Culpeper, left today for Chicago as delegates from the Fighth district to the control of the contro the Eighth district to the national republican convert in. It is generally known that Mr. ripper is a consistent republican, but a is wondered at that he would make the trip, which entails a great deal of expense and loss of time from his business, but being a young man it may be possible he is keeping aclively in line with his party in order to widen his scope of influence in this city and state. He was a Taft man from the beginning, and no doubt if Mr. Tait is elected he will not be unmindful of the att tade of Mr. Crapper. It will be remembered that there are quite a number of good places in this city at the disposal of the tayored few if the republican nominee is elected, one of which is the postmant rabip. There are already three candidates for the position-Meser'. Frank T. Evans. J. Armstead Eggborn government service at all. Being a successful lumber merchant it is harlly probable that any small office would apneal to his fancy.

DEATH OF REV. DR. SPRIGG.

Rev. Dr. D. F. Sprigg, f. r many years rector of Grace Church in this city, died in Washington yesterday. The deceased was in his 83d year, having been born in Hagerstown, Md., October 27, 1825. Once helf a negitive are Mr. 27, 1825. Over half a century ago Mr. Sprigg became rector of Grace Church in city and editor of the Southern Churchman, at that time published in the Alexandria Gazette office. At the outbreak of the civil war he went south, and at the close of the conflict returned to this city and resumed the publication of the Churchman, having also renewed the passoral duties of Grace Church In Uhler, Eliza Douglas, Cora Jones, Chr. sthe spring of 1879 he resigned as rector of Grace Church and assumed the pastorate of the Moore Memorial Church, in Richmond, is which city the Churchman has since been published. A few years later he disposed of his interest in the paper and removed to Washington in which city he had since resided. While not in charge of a church, he was ever active in going from point to point in Washing-ton endeavoring to interest all he encountered in the faith he held throughout life. Mr. Sprigg was one of the most popular ministers ever stationed in Alexandria, not only among the members of his own flock, as he was equally esteemed by people of all denominations. He was ever ready to aid those struggling sgainst adverse fortune, and his quiet acts, in which he materially aided the distressed, will long be remembered. Mr. Sprigg leaves a daughter, Mrs. J. B. Perry, of Washington. The interment took place this afteruson at Greenmount, Balti-

SHOT IN THE HIP.

J. H. McGrath was conveyed to the Alexandria Hospital last night with a bullet in his hip, he having been shot at Culpeper by a brakeman of the Southern Rallway. McGrath, it seems, had boarded a train and refused to get off when requested to do so by the brakeman. Trouble between the two men followed which resulted in the shooting. Dr. Rixey, after having rendered surgical aid, sent McGrath to the hospital.

FIRE IN A STUDIO.

About 7:30 G'clock yesterday evenng, while King street was thronged time it was under control and virtually extinguished.

The building is owned by George J. Haines, of Accotink, Fairlax county, and, including fixtures, is insured for at their wigwam on the second sleep, \$5,500. The damsge to the building is variously estimated but this cannot at ted for the en-uing term. Such

insurance.
During the fire Fireman Wm. Craven of the Columbia Company, stepped from the engine at the corner of King and Pi t streets and was bitten on the leg by a dog. While breaking down a door leading into the studio Edward Petry, nephew of Fire Chief Petty, sustained an ugly cut on the left hand by glass. Both received surgical attention. The firs was confined to the photo-

griph gallery, which was virtually gutted.

It was at first supposed that the fire was caused by defective electric wiring. but this was shown to be erroneous from the fact that the electric current was cut off from the building by Mr. Jameson at 6 o'clock. It was also suggested that chemical combust on in the gallery may have caused the blaz.

semed to be confined to that part when be firemen entered.

The site upon which the building stands has been the scene of two de-structive confligations. In the early part of 1862 fire destroyed the old Sarepts Hall and several other buildings on the west, including a bank and book-store which stood upon the site of the building which was on fire last night. In February, 1865, a large frame struc-ture used as a theatre, which had been built on the site of old Sarepta Hall, was burned together with two frame houses which stood on the site of the building now occupied by the Lozano Company. This store was erected by the late George E. French a few years later.

The promptness of the fire department and the alacrity with which the firemen worked was most favorably commented upon by all. Within fifteen minutes from the time the alarm was given the flames had been extinguished. Chief Pettey has returned his thanks to his men for their good service.

Mr. Frank C. Banks, a native of this and W. H. P. Kelly. It is presumed that the present postmaster, Mr. Thomas F. Burroughs, may desire to succeed himself. The sit tude of Mr. Crupper is a smatter which worries the aspirant, and either of them, of course, would like to gain favor with their leader. It is not known what position Mr. Crupper may seek in case of the election of Mr. Taft, and it is thought that his old position. city, and for many years one of the and it is thought that his old position—

The house and grove were softly lighted by Japanese lanter as and the hill, which was brilliant with moonlight, was dotted with groups and couples. The older people thronged the porches and reception room, where several exciting games of cards were played.
